

1984 250cc 2T single Beamish Suzuki, stolen from Elgin on 14th Oct.

It is very distinctive and easily recognisable.

Bright red shocks, gold anodised bars and has stickers on the crossbar, headstock and silver writing on the mudguard.

Unfortunately, we do not have the frame or engine numbers, but would be very interested to know where it is. There will be a few quid in it for anyone who can tip us off.

If spotted or offered for sale, ring myself on 07845 661 961 or Grampian Police.

Thanks,
Brad.
