

GMCC – Elgin Club rd 6th May 07

TEAM MOTO1 TOOK THE TOP 3 SPOTS, WITH TONY CRAIG DOMINATING THE PROCEEDINGS WITH 3 WINS.

Young Ricky Mair from Beaulieu took 2nd o/a from his Team Mate Craig Trew by 4 points, all these bikes have had the G Force treatment so that their suspension performs at the optimum levels, it shows.....as the racing in this group was fast n furious all day.

The B group saw Richard Turner take 2 race wins, but a mishap in race 3 lost him 13 points, however he still managed to take the overall win from Mr Thain who improved throughout the day, finishing off with a win in race 3. This gave him a 1 point advantage over Richard Hyland who had to settle for 3rd.

In the C group Lee Shepherd had just got his bike back after an HWR rebuild, hence some running in was required, that must have taken place during practice, because when it came to the races, he certainly wasn't holding back, and took 3 race wins. With Alan Scott taking second o/a from Gavin Lowes in 3rd, this was out of 30 starters, well done lads.

The workers @ Grampian MCC had obviously put a lot of work into preparing the Woodside Circuit and along with the heavy rain during Saturday night, this left the track in A1 condition, ready to rock.

AARON HEADS 4 THE O/A WIN, FIRST CLASS

Fresh from the Moto1 training school, Aaron McCarroll of Forres put his new found knowledge to good use, taking the o/a win with 2 firsts and 1 second place, this left Kevan Macdonald of Nairn to settle for 2nd place 9 points ahead of 3rd place man Paul Skelton of Inverness.

The big wheel 85 class saw Girl Power come to the fore with Hannah Macleod taking the overall win, showing the boys a clean pair of heels.

JOSH FLYS TO VICTORY NUMBER 3.

The small wheel 85's saw Local Lossie Loon Josh Craig dominate this class on his 85 KTM with 3 straight wins ahead of Grant Fraser of Fochabers, also KTM mounted. 2 points ahead of 3rd placed Taylor Robertson of Keith.

The highly competitive 65 class saw Dean Macleod take 3 race wins ahead of runner up Iain Findlay of Inverness with 3 second places followed home in each race by Kieran McCarroll on another KTM.

In the auto class, it was Daniels Dey as he dominated with 3 wins, Aidan Campbell looked set for second o/a, however a DNF in race 2 dropped him down to 5th place leaving Justin Barbour of Keith to take a well deserved 2nd o/a ahead of Owen Hendry in 3rd.

A big Thanku to All @ GMCC for a great Event, keep up the good work Guys n Galls, it's well appreciated.
