

GMCC Final 2007 Rd Woodside Elgin 4th Nov 07

Grampian MCC's final event of 2007 saw a big turnout of riders, of all ages, with all Groups well supported.

The Auto's saw Invernessian Aidan Campbell take 3 race wins after dicing with Daniel Dey of Forres, both riders were in a class of their own, miles ahead of the rest of the field, with Ryan Archibald taking 3 consistent 3rd places, making him the best of the rest.

Aidan Campbell heads for Race Win number 3, well done that Man.

The 65's saw fello Invernessian Ian Findlay take 3 dominant race wins (ps our Ian is looking for possible sponsors 2 help with his 2008 Challenge) ahead of an ever improving rider, young Keiran Hunter of Fochabers who had to settle for 2nd overall with 3 excellent runner up spots ahead of Aberdonian Ash Darling who took a fine 3rd o/a placing.

Lossie Loon, Josh Craig on his new 85sw KTM kept his Sponsors happy with 3 race maximums ahead of Taylor Robertson and Shaun Sinclair settling for 2nd and 3rd respectively, well done lads.

Visitor John Kirk took the o/a win in the 85/bw class with wins in the 2nd and 3rd races ahead of local Lewis Dawson who took a fine first race win ahead of Alex Mitchell, these Young riders could show some of the Adults the way home as their lap times were PDQ.

The 125 class was better supported at this meeting with David Clarkson taking 3 straight wins as he mastered the woops of Woodside with some pretty impressive riding skills.

Ross Shaw from Golspie heads race winner David Clarkson in the 125's

The Adult C group saw the biggest gate of the day, with some pretty forceful, close racing as the 21 riders vied for those ever important race points, with this in mind James Barrack took top spot, 4 points clear of Dave Adamson who took 3 2nd places putting him well ahead of 3rd placed Gogz Nicol on his wee Yam 125.

Top spot in the B group went to Invernessian Tamer Tasasiz, Tamer managed to tame his beast of a CR500 most of the time, allowing him to wrestle it to the overall win by just 2 points ahead of Kevin Milne. There U go Tamer, the time in the Gym is starting to give dividends, just think how fast u could go on something a bit more manageable. 3rd place went to Scott Smith on his new 2008 Kawa, nice race win in the 2nd race Scott, well done.

Race Face and Focused.

The Premier class saw Tony Craig trounce the opposition with 3 straight race wins on his new 505 KTM, the mean machine. Runner up spot went to Barry Gray of Inverurie who adopted the steady eddy approach 2 the days racing, no risks taken, lots o points ammassed taking him home ahead of a dissapointed Elgin rider George Stewart, missing out on third spot by only 2 points.

Young Frazer Norrie

heads for 4th overall in the A's
