Four Riders Took A Hat trick of Wins @ HMXC's Club Championship Event Round 3, Held @ The Carse by Nairn on Sunday.

DAVID CLARKSON HEADS HANNAH McLEOD IN THE 85 B/W RACE

IAIN MACKENZIE GETS THE HOLESHOT IN THE 85 B/W RACE

Top man was Tony Craig of Montrose on his 450 Honda,he dominated the A group with 3 fantastic race wins. Scott Findlay of Forfar took afine 2nd overall on his KTM, closely followed home in 3rd by John Hamilton of Edinburgh.

Group B saw Scott Smith of Aberdeen take the top spot with Iain Nicholson of Wick in 2nd closely followed by Keith Lamont of Inverurie back to MX after a few seasons off. Commiserations to Duncan 40, a minor off in race 2 saw him get a ride in the Helicopter, due to the fact 2 riders used him as a take off ramp, resulting in a broken leg and hip.....ouch.

Group C saw Lee Sheperd take 3 maximum race wins in dominating style on his KTM125, who needs horsepower ? not our Lee. Top local rider in the C class was John Bowie from Lossiemouth in 5th place on his crf250 honda closely followed by David Adamson from Fochabers, 3 points down in 6th place.

DANIEL DEY OF FORRES HEADS FOR RACE WIN NUMBER 3 IN THE AUTOS

GRANT FRASER OF FOCHABERS ON HIS WAY TO SECOND PLACE IN RACE THREE

The Veteran class saw another maximum man in the form of Ross Kelman of Grantown on Spey. Ross was in top form with 3 fine wins. Gordy Brown of Inverness secured 2nd spot from Dode Fraser by just 2 points, watch out for a season long scrap between this pair of mature motox masters.

The 125/250 Schoolboy class saw Clinton Duff take the overall honours with a second and 2 fine wins, over Ryan Blair in second spot.

Local riders Kevan Macdonald of Nairn took 4th o/a ahead of Aaron MacCarroll of Forres in 5th. Just a wee mention, well done Ruaridh MacArthur of Avoch, the holeshot kid in race 1.

Moving on to the big wheel 85's, it was David Clarkson of Boness who pipped Hannah McLeod of Hatton for top spot, with Fifer C Inglis taking 3rd spot.

The 85 small wheel class saw some very close racing with Ian Stewart from Forfar take the honours from 3 local loons by virtue of 2 wins and a 3rd place, leaving Josh Craig of Lossiemouth in 2nd spot, followed by Grant Fraser of Fochabers in 3rd, closely followed by Shaun Sinclair of Elgin who did really well, considering he had to use a 65cc spare bike after gremlins with his 85.

The 65cc class was heavily contested with a very large line up of highly competitive riders vying for all important points. Dean McLeod of Hatton took the overall honours while his sister Tara put in 3 consistent rides, just finishing outside the trophies. Fraser Pohlen took a race win, but had to settle for second o/a while local lad Ian Findlay of Inverness put in 3 steady rides to secure 3rd spot on his KTM, well done Ian.

Last but not least, was the Autos, making the most of their newly upgraded track, now featuring doubles and big bermed corners, these young riders, certainly know how to turn on the style with Daniel Dey of Forres taking three race wins on his HWR KTM. Second spot went to Aidan Campbell Inverness on another KTM with Ryan McBain of Oldmeldrum in third spot.

A great day's racing was had by all at this highly popular venue, made possible by hard working marshalls, lapscorers, club committee, Andy's Firstaid Team, track engineers etc.

Also a big Thanku to Campbell Plant Hire of Inverness for not only sponsoring this event, but also for their ongoing support for the club.

And finally, get well soon Duncan, Your Club needs You.
