

# Stolen Bikes

Theft of Andrew and Fraser Flockharts treasured bikes from North Berwick in the early hours of Sunday the 12th of August.

The bikes were a 2004 250 SX KTM Frame no VBKMXN2344M374304. The KTM has 2007 radiator shrouds and decals fitted with white backgrounds and the number 29 on them. When stolen the bike did not have the exhaust fitted. It also has a side stand fitted not standard on an SX. Other features are Black Honda bend handlebars with wrap round handgaurds and an alloy sump guard.

The Honda is a CR 85 Big Wheel Frame no JH2HE07A16K100292. This has a MX World tuned engine the engine barrel is engraved with MXW 07, a VHM Gold Cylinder Head was also fitted, V force reeds, a DEP exhaust, a HGS tailpipe, chrome framegaurds and No 615 on the panels.

The Honda in particular was cherished by my son Fraser as this was his first season competing at championship level where he had just climbed to 6th in the Scottish Championship and was lying 2nd in the Scottish Youth championship. With the season drawing to a close he now does not have a bike to compete on and finish the season.

A reward has been set leading to the successful recovery of the bikes. PC Blacklock is the contact on 01620 893585, crime reference 386. Or Andrew Flockhart 07802195597
